

AC Line Splitter

KPS-SL100UK

- Conductor separator to allow current measurement with clamp meters
- 2 rings for real current measurement (x1) and current multiplier (x10)
- Terminals for voltage measurement
- Supply voltage: 250V
- Maximum current: 15A
- CAT. II 600V according to IEC / EN 61010
- CAT.III 600V according to EN 61010

KPS-SL100UK

AC Line Splitter

General	
Product Size	171mm x 57mm x 48mm
Product Weight	131g
Certificate	CE
Safety Rating	CAT II 600V

Specs	
AC Voltage	250V
AC Current	15A
Frequency	50 ~ 60Hz

Product Code Information	
SKU	
EAN code	
UPC code	
Pcs/export carton	20
