

POWERCOMPACT ACCESORIES

• POWERCOMPACT-CL5A AC Current clamp 5A

- Amperometric mini-clamp for low AC currents from 0.01A to 5.0A with reduced dimensions and high precision.
- Clamping capacity: Cable: \varnothing max 20mm
Busbar: 1 busbar of 20 x 5 mm

POWERCOMPACT-CL5A	603000010	8435394776200

• POWERCOMPACT-CL200A AC Current clamp 200A

- Amperometric mini-clamp for AC currents from 0.5A to 200A with reduced dimensions and high precision.
- Clamping capacity: Cable: \varnothing max 20mm
Busbar: 1 busbar of 20 x 5mm

POWERCOMPACT- CL200A	603000011	8435394776217

• POWERCOMPACT-CL1000A AC Current clamp 1000A

- Amperometric mini-clamp for AC currents from 0.1 A to 1000 A with high measurement precision and stability all over the range.
- Clamping capacity: Cable: \varnothing max 52 mm
Busbar: 1 busbar of 50 x 5mm / 4 busbars of 30 x 5mm

Article	Code	EAN 13
POWERCOMPACT-CL1000A	603000012	8435394776224

• POWERCOMPACT-CL600A AC/DC Current clamp 600A

- Amperometric clamp based on Hall effect to measure AC and DC currents.
- Measured range: AC: 0,2 A up to 400A (600A peak)
DC: 0,4 A up to 600A
- Clamping capacity: 1 cable \varnothing 30mm or 2 cables \varnothing 24mm
2 busbars 31.5x10mm

POWERCOMPACT-CL600A	603000013	8435394776231

• ULTRAFLEX3000 AC Current clamp 3000A

- Equipped with automatic recognition system if used on PQA COMPACT.
- Its high flexibility allows it to be installed in the most demanding positions.
- Measured range: AC/DC: 6A up to 3000A
- Sensor lenght: 600mm
